Dear CHILD's NAME,

Congratulations on losing your tooth! And what a nice, shiny tooth it is.

Your family is so happy to see how big you are now! They, just like me, are so very proud that your baby teeth are falling out. This means, that you are no longer a baby. Your adult teeth are coming in faster now. These are the teeth that will last you for the rest of your life. This is why you should brush your teeth often.

I hear that you want to keep it. That's just fine! I have plenty of teeth in my collection, and I understand how neat it is to hold onto your own tooth.

Be sure to visit the dentist for a cleaning and check-up. You're doing a great job! Next time you lose a tooth, I hope you let me have it. Just write me a note so I not to take it.

Love you,

The Tooth Fairy
