NAME OF CHILD,

You have lost your first tooth! Do you know what this means? It means you are growing up!

I wanted to leave you a special surprise for such a great job losing your first tooth. It is a terrific tooth! I see that you have taken care of it, very well, which means you will do the same with the new teeth that come in....good job!

Did you know you're going to lose about 20 teeth? That's a big number! I look forward to collecting all of them!

See you Soon!

With Love,

The Tooth Fairy
