Yea!! My friend! You're on a roll! You've lost other more tooth.

CHILD's NAME how does it feel? Weird? Slimy? Do you talk funny? That's ok! It will start to feel better soon. You're going to get used to these feelings because you have o lose a total of 20 teeth!

I didn't think I'd be back so soon to see you, but here I am. I've never seen a more adorable tooth! This one is going to make a great addition to my tooth palace!

Remember to brush your teeth.

Love you lots!
